PROFESSIONAL SUMMARY

Results-driven Marketing professional with 3+ years developing GTM strategies, audience-centric messaging, and multi-channel content campaigns across EU and US markets. Proven in translating complex products into compelling narratives for technical and business audiences, leveraging NielsenIQ, PowerBI, and Meta Ads for data-driven decisions. Led cross-functional teams and external agencies to deliver integrated campaigns reaching 1M+ consumers, contributing to 35% business growth.

WORK EXPERIENCE

Business Developer

La FoxBox Brussels, BE (Remote)	December 2025 – Present
- Closing 6+ high-value client deals within 3 months, generating €50K+ in revenue by leading the full sales cycle from prospecting and field outreach to proposal writing, negotiation, and contract execution. - Developing tailored commercial and financial proposals in response to client briefs, adapting positioning and pricing to maximize win rate and margin - Built and managing structured CRM pipelines across the full account lifecycle, from onboarding through contract duration, implementing a quarterly incentive model to drive retention and recurring revenue - Conducting market research and competitive benchmarking to monitor business performance, track key commercial indicators, and informing go-to-market decisions, pricing strategy, and strategic recommendations to management - Leading brand and acquisition initiatives including Meta/TikTok campaigns, event execution, and B2B-focused content supporting pipeline generation and market visibility	

Junior Brand Manager Trainee

Ferrero- Nutella Bakery Luxembourg City, Luxembourg	September 2024 – September 2025
- Analyzed sell-in and sell-out data across EU and US markets using Nielsen, Euromonitor, Excel, and PowerBI, covering Nutella Fresh Bakery SKUs to support pricing, promotion, portfolio, and growth strategy decisions. - Supported global GTM readiness for the US and EU innovation pipeline, contributing to the 3-Year Activity Grid and managing end-to-end market tests and launch timelines. - Delivered CEO-level strategic insights and performance recommendations, maintaining 100% financial accuracy of A&P budgets via SAP tracking. - Spearheaded HQ-level coordination across 8+ international markets, managing external agencies and stakeholders to execute multi-channel campaigns, product launches, POS activations, and video production. - Optimized 200+ DAM assets and e-commerce content, ensuring global brand compliance and consistency across retail and e-commerce PDPs. - Streamlined internal stakeholder engagement by leading cross-functional communications on product launches, performance metrics, and strategic priorities for the Fresh Bakery division.	

Assistant Brand Manager Internship

Henkel- Schwarzkopf Brussels, Belgium	January 2024 – July 2024
- Drove strategic portfolio decisions for 3 global FMCG brands through 8+ deep-dive analyses on brand performance, category trends, and audience behavior enabling audience-driven messaging and content strategy. - Developed advanced dashboards using NielsenIQ and GfK to analyze sell-in/sell-out, pricing elasticity, and promotion effectiveness across a 20+ SKU portfolio. - Maximized media ROI by analyzing 10+ digital and social campaigns; leveraged Google Analytics and Meta Ads tools to track KPIs, measure content performance, and optimize budget pacing. - Led copywriting and content adaptation for influencer campaigns and marketing assets, successfully engaging a global audience of 1M+ consumers. - Coordinated with external agencies and internal teams to ensure seamless development, approval, and launch of high-impact brand activations across multiple channels.	

360 Marketing Manager

Global Colliance Baroda, India	December 2021 – December 2022
- Accelerated business growth by 35% by architecting full-funnel B2B and B2C marketing strategies spanning social media, events, and sponsorships; leading a team of 7 - Developed audience-centric content strategies and managed influencer campaigns, generating 400K+ organic and paid views and driving measurable demand creation - Built brand guidelines and integrated Meta Ads, web, and event strategies to strengthen B2B partnerships and market positioning
